

PRIME

Nitric Oxide Booster

Prime is a groundbreaking Nitric Oxide (N-O) booster is a culmination of a decade of scientific research incorporating the most potent Nitric oxide producing plants. By increasing N-O production, Prime helps maintain flexible, open arteries for optimal blood flow, contributing to improved energy, mood, cognition, and overall vitality.

Features & Benefits

- **Boosts Energy & Athletic Performance:** Contains active ingredients that support red blood cell formation and energy pathways, ensuring you stay energized throughout the day.
- **Supports Cardiovascular Health:** Promotes vasodilation to maintain healthy blood pressure levels, maximizes circulation by relaxing arterial smooth muscles, and prevents premature cardiovascular aging by maintaining blood vessel flexibility.
- **Improves Cognitive Function:** Enhances neuronal communication and blood flow to the brain, encouraging clear thinking, faster cognition, and enhanced memory recall.
- **Promotes Overall Wellness:** Improves energy, mood, and general well-being, contributing to a holistic sense of health and vitality.
- **Unique Delivery System:** Did you know that good bacteria in your mouth kick-starts the conversion of N-O? Prime’s unique delivery system optimizes absorption.

Key Ingredients

Beetroot Extract: Is a nutritional powerhouse rich in nitrate, potassium, folate, and vitamin C. The primary mechanism of its health benefits lies in its conversion of nitrate into nitric oxide, which induces vasodilation, leading to lower blood pressure.

Quercetin: A plant pigment found in various foods like red wine, onions, green tea, apples, and berries, it possesses antioxidant properties. These qualities may aid in preventing heart disease, controlling blood sugar, and creating healthier cells in the body.

L-Citrulline: Increases plasma levels of arginine, aiding in ammonia recycling and nitric oxide metabolism, potentially benefiting vascular health and athletic performance.

Hawthorn Berry Extract: Is rich in antioxidants, potentially offering benefits such as lowered blood pressure, reduced cholesterol, improved skin health, and enhanced digestion.

SERVING SIZE: 1 PACKET

DIRECTIONS FOR US:

Pour a small amount of powder on your tongue and allow to dissolve before swallowing. Repeat until finished. Take one or two packets daily.

Supplement Facts

Servings Per Box 30	
Serving Size 1 Packet (3.3g)	
Amount Per Serving	% Daily Value
Vitamin C (as Ascorbic Acid) 100mg	167%
Vitamin B12 (as Methylcobalamin) 1,000mcg	16,667%
Proprietary Prime Nitric Oxide Blend 550mg	†
Beetroot extract (Beta vulgaris)(Root), Quercetin, L-Citrulline, Shisandra fruit extract (Shisandra chinensis), Pomegranate fruit extract (Punica granatum L), Pine Bark extract (Pinus massoniana. lamb), Hawthorn Berry extract (Crataegus pinnatifida), Celery Seed extract (Apium graviolens)	
† Daily Value (DV) not established
