

INTRODUCING

Ancient Roots. Pure Energy.

BOLT™ is a thoughtfully formulated daily energy drink mix made with a combination of amino acids, nutrients, botanicals and clean ingredients to keep your mind and body active. It also supports mitochondrial energy production — delivering a smoother energy experience.

Why BOLT Is Different

1. Formulated with amino acids, vitamins, minerals and botanicals
2. Includes caffeine and guarana to help support alertness and energy*
3. Provides nutrients that help support cellular energy production*
4. Designed to support focus, endurance and active lifestyles*

Energy From The Inside Out

Your body turns the food you eat into energy at the cellular level. BOLT provides key nutrients and ingredients to help support this natural process so you can stay energized and ready for what's next.

No artificial sugars or flavors.

Key Ingredients That Support Your Day*

1

Performance Support

Beta-Alanine, L-Taurine, L-Arginine, Citrulline Malate and Creatine help support physical performance.*

2

Focus & Mental Support

L-Theanine and Inositol are included to help support calm focus and mental clarity.*

3

Hydration & Electrolyte Support

Magnesium, Potassium and Redmond Sea Salt help support hydration and electrolyte balance.*

4

Energy & Alertness

Caffeine (160 mg per serving) from natural sources and B vitamins help support alertness, energy and mental focus.*

5

Antioxidant & Immune Support

Vitamin C, Acerola, Camu Camu, Sea Buckthorn and Green Tea Extract provide antioxidants to help support your body.*

6

Digestive & Botanical Support

Triphala, Black Pepper Extract and prebiotic fiber (IMO) help support digestive wellness and nutrient absorption.*

Perfect For:

Morning brain fog or afternoon energy slumps

Pre-workout performance and endurance

Busy professionals needing clean focus

Anyone seeking energy that gives back to the body
